†To use Pay with Points, you must charge your purchase through amextravel.com to a Membership Rewards® program-enrolled American Express® Card. Points will be debited from your Membership Rewards account, and credit for corresponding dollar amount will be issued to the American Express Card account used. If points redeemed do not cover entire amount, the balance of purchase price will remain on the American Express Card account. Minimum redemption 5,000 points. See amextravel.com for Membership Rewards program terms and conditions.

If a charge for a purchase is included in a Pay Over Time feature balance on your Linked Account (for example, the Extended Payment Option), the statement credit associated with that charge may not be applied to that Pay Over Time feature balance. Instead the statement credit may be applied to your Pay in Full balance. If you believe this has occurred, please contact us by calling the number on the back of your card.
